Private John C. Hollenbeck, of the 11th regiment, killed in the last skirmish near Cumberland, was from Boone county.

A number of our citizens left on the 4 P. M. train last evening for the east. Among the number is our genial and much esteemed young friend Samuel Turner, the popular of all State companies. clerk of the Terre Haute House.

Hon. Jas. C. Robinson, M. C. from the Illinois 7th Congressional District, was in the city vesterday en route for Washington City. He left last evening in company of Hon. D. W. Voorhees, our Representative, the occupation of Island No. 1. It admits for the Federal Capital.

A marriage notice which appeared in resterday's issue, we are informed was an error. It was forwarded to this office with the appearance and detail of genuineness, and was inserted without sufficient care. The perpetrator of the falsehood may have accompliebed something by the trink, but what, it le difficult to imagine.

We have received two or three letters from Camp Reynolds which contained no news, being mainly taken up with details of the movement of the Regiment from this city. and a report of the alarm in camp, all of Government dues. Second, a Foreign loan which we published nearly a week ago .-Short pithy letters which contain news not terest 3 80-100, convertible and receivable to republish what our readers had read a wook ago.

----BRIGGERT -- Yesterday afternoon a man named O'Donnel, O'Connel or O'Something else entered a drinking house on Wabash Street between 6th and 7th, and got up a mes with the proprietor, and in the scuffle that ensued, the man with the "O" prefixed to his patronymic struck his head against the counter drawing the blood freely. He was speedily overpowered by the proprietor and two officers coming along marched him off to the calaboose, to cool his arder.

THE GRAMAN HOME GUARD .- The members of this company met at the old County Seminary on Friday the 28th ult., and resolved to celebrate the Fourth of July.

The company will meet on the commons south of the Terre Haute House at 91 o'clock, A. M., when they will march to Main Street; thence west to the Court House, when the Star Spangled Banner will be sung by the German Manner Chor; from thence they will march down Third Street to Chestput Grove, where the remainder of the day will be appropriately spent. A Public Loss .- We regret to learn that Miss E. V. Bebee, who has been connected with the City Graded School ever since its organization, has finally severed her connection with the school, and returned to her home in Pittsburg, Pennsylvania.

As a teacher, Miss Bebee stood preemipent for devotedness, aptitude and patience. As a lady, her unassuming manners, retiring disposition and large-hearted benevolence, won for her the love and admiration of all who knew her

We are informed that it gives a mutines each morning-curtain rices at 3 o'clock a. x. In other words the comet makes a short circle around the North Pole, its nucleus only descending below the horizon, its narative still stretching far up in the heavens. Those who are early ricers will have the benefit of a double exhibition.

LATER.-Instead of descending below horizon last night, the comet passed rapidly to the East about twenty degrees above the horison, and the tail which had stretched from the North-West towards the South-East, changed its direction from the North-East to the South-West. At one o'clock the nucleus of the comet had passed to the East of the Pole. At 2 o'clock it was five degrees East of North.

A Casp .- I take pleasure in recommending to the citizens of Terre Haute, Mr. H. Shenscher, of Boston, Mass, a finished piano maker, as a gentiemen in every way able and competent to repair and regulate pianos. Mr. Shonacker was recently employed by me in repairing piance, and the excellent manner is which he performed the same, gave me great satisfaction, and the assurance that Mr. S. is unusually well skilled in his calling, and will not fail to relider entisfaction wherever employed.

In view of these facts, I respectfully urge upon the citizens of Terre Haute the propriety of availing themselves of the opportunity of securing the service of Mr. S., as his civil tribunsis. May smorg de will necessarily be limited. Very respectfully,

SPECIAL TO THE HERALD.

It is reported that the misunderstanding between Jeff. Davis, Gen. Beauregard, and Gen- Lee, which has been noticed for some time past, has occasioned the latter to resign his position. It is certain that private letters rom Lee to an old associate in the United States Army, have disclosed his dissatisfaction in the rebel service.

It is said the steamer Freeborn was so se verely treated in the recent conflict that she will be condemned. She is a new boat. It appears the Government does not regard the occupation of Harper's Ferry at present as of any great importance, now that every thing of importance has been destroyed.

Williamsburg. sep16dwiw King County, N. Y. Quack Normana.-The mejority of hair washes, hair dyes, hair tonics, hair oils, the numberless prena rations which are now before the public under suce extravagant, hyperbolical and fantastic titles as we see paraded in show-window cards, and newspaper beadings, as hair preparations, are all humbugs of the first water; their real merit, when they present any, is, that they do no harm. Hog's lard, whale oil, lard oil, sweet oil, scented and colored, make up, when in beautiful wrappers, and white flint glash bottles, the costliest character of tonics, and when thus costly, are baptised with some tri-syllable term and caught at by verdant young and old of both sexes. Such is not the character of Prof. Wood's Hair Restorative. This gentleman comes before the world without any "high falutin" Xilophlefortum, or ane other astounding and startling catch-penny term; by simply advertises a Hair Restorative-what it expresses, precisely-and as a Restorative it acts. Buy Prof. Wood's Hair Restorative, and as you value with scalp, aye, your very brains, apply nothing elser for It may be that you you will get some worse substance
